2. My doctor has explained to my satisfaction:
   a. The diagnosis of my condition, the procedure(s) or operation(s) to be performed, and the expected outcomes.
   b. Possible benefits: Qualitative visual acuity improvement.
   c. The risks reasonably anticipated by undergoing this procedure, or operation, including the possible consequences and complications.
   d. The risks reasonably anticipated by *not* undergoing this procedure, or operation, including the possible consequences and complications.
   e. Any reasonable alternatives to this method of treatment, and that the choice to undergo or not undergo the procedure, or operation, is mine alone.
3. I understand my doctor's explanation is not exhaustive, but he has given me the chance to ask questions, and I have no further questions at this time. I understand that I can ask more questions at any time.
4. I am aware that during the course of the authorized procedure, unexpected conditions may be revealed that require an extension of the authorized procedure or performance of a procedure different than stated in paragraph #1. I, therefore, authorize the above named physician and selected assistant(s) to perform such surgical and/or medical procedures as necessary in his/her professional judgment. I am aware that the practice of medicine and surgery is not an exact science, and I acknowledge that no guarantees have been made to me as to the results of the operation or procedure(s).

Anesthesia:

5. Where anesthesia services may be required as part of this operation or procedure, I have been advised and acknowledge that I am aware that there are risks and complications involved in the administration of anesthesia. I consent to the administration of anesthesia and/or sedation and any invasive monitoring procedure, if required, to be applied by or under the direction and supervision of my physician and/or Anesthesia Pain Services, LLC.

Disposal of Tissue:

6. Any organs, tissues, or foreign objects that may be removed during the operation may be examined, disposed of, or retained for medical purposes in accordance with accustomed practice.

Observers/Photographs:

For purposes of advancing scientific knowledge or medical education, and at the discretion of my doctor(s), I give my permission for the following:

7. a. The photographing or videotaping of the procedure being performed upon me, as long as my identity is not revealed in any way.
   b. The admittance of observers to the operating room to view the procedure.
   ☐ I **do not** consent to photograph/videotaping of the procedure or observers.

Blood Testing:

8. The drawing of any blood specimen from me for the purposes of confirmation of possible bloodborne pathogens, in the event of an exposure incident to any member of the staff who is assisting with my care.

Emergency Treatment/Advance Directive Waiver:

9. I understand that the Policy at Bloomington Eye Institute/Gailey Eye Surgery - Decatur is to provide immediate resuscitative emergency care and basic life support for any medical emergency. I further understand that BEI/GES is an Ambulatory Facility and does not wish to withhold life support measures, if a medical emergency should arise, but will transfer me to an acute care hospital. I consent to this "Advance Directive Waiver" as notice that life support may be implemented, in emergency circumstances, during my stay at BEI/GES.
10. If I have an automatic internal cardiac defibrillator, I understand that it may be disabled during my surgical procedure according to my surgeon.
11. ☐ I understand if I have a documented Latex allergy, appropriate precautions will be taken; however, there may be some products that contain Latex utilized in my care while here at Bloomington Eye Institute/Gailey Eye Surgery - Decatur.
12. I understand there may be medication/s used during my procedure that are considered "off label use", and I agree to this use. (List available upon request).

Upon signing this form, I acknowledge that I have read and understand the foregoing authorization. Any changes that the surgery center has made to the above authorization have been initialed by me.
